

## Sensor Flush Valves

# TTUE601AC2

## Features

- Automatic flushing : hands-free and hygiene
- The sensor is encased in heavy-duty glass, to protect from vandalism
- WATER SAVING

## Specifications

Water Pressure : 0.05MPa - 0.75 MPa

Water Volume : 1.1 - 1.9 L/Time

@ 0.1 - 0.75 MPa

## Parts description

### ● TTUE601AC2

Concealed Urinal Sensor Flush Valve (AC220V) for Back Inlet
