

Features

- Compact design with privacy shields
- Powerful wash down flushing action
- Integral trap
- CEFIONTECT technology: super smooth, ion barrier glazing for a clean urinal

Specifications

Water Consumption : 0.5 L

Size : 260X345X675 mm

Water Pressure : 0.05~0.75MPa

Parts description

Fitting is not included

● UW904B

Wall Hung Urinal
Back Inlet Type

○ optional parts

○ T9RA

Hanger

○ HVM3D006Y

Wall Flange

○ HVM2E003Y

Spreader

○ H260033-2

Flexible Hose

*Flush valve is not included

Colors

White
